

Committed to

Environmental Sustainability

نابكو الوطنية
napco national

“By starting to annually communicate our progress, Napco National is committing to a sustainable future.”
Mounir Frem, Napco National CJSC Central Services President

The Circular Economy of Plastics

To foster premium re-use of plastic scrap to reduce carbon emissions and to divert plastics destined for landfills or incineration into recycled applications supporting a circular economy of plastics

Responsible Paper Sourcing

To increase use of certified chain-of-custody fiber from global sources

Committed to

Social Responsibility

نابكو الوطنية
napco national

“By starting to annually communicate our progress, Napco National is committing to a sustainable future.”
Mounir Frem, Napco National CJS Central Services President

Occupational Health & Safety

To ensure decent and safe working conditions by setting safety policies and reporting procedures and training employees

Diversity & Inclusion

To provide quality employment and decent working conditions for people of all backgrounds

Arab Women’s Wellbeing

To engage media, associations, and educational institutions to increase awareness of menstrual hygiene, early breast cancer detection, and positive self-image, while providing access to sanitary feminine hygiene products through the lifecycle

Childhood Development in the Middle East

To partner with local and international organizations, NGOs, and the media to promote and support childhood education as a precursor to success in life
